Certification of Recruitment Representatives

To whom it may concern,

After carefully consideration and verification of the qualifications, this is to certify that Mason's Immigration Services company (Mason) to represent all existing programs of Texas Health and Science University to recruit international students from Taiwan. Authorized Period: December 1st, 2022, to November 30th, 2023. After Mason successfully recruited one international student from Taiwan, THSU will pay 2000 US dollars to Mason as the recruiting fee.

Wen Huei Chen
Vice President of International Affairs
Texas Health and Science University
